

Don't walk in front of me...

I might not follow.

Don't walk behind me...

I might not lead.

Just walk beside me

and be my friend.

The "new ones" came in yesterday
I envy their fresh start,
I remember day one like yesterday
the anticipation and the fear in my heart.

The "wisefools" came in today
They have one year under their belt.
I hope they're smart enough to know
They can change the cards they've been dealt.

The guys that are in the "decisive year"
Yeah, that's the third one.
I hope they pass and succeed
next year they'll have some fun.

We seniors, yeah, we'll be on our way. Isn't it a shame, we can't stay?

Take a look at the night sky,

See the stars begin to fly.

Tell me friend "We'll reach them!"

Tell me again and again ...

We raced with time and passed the test,

Now we're certain we're the best.

But tell me friend, was it all "Reality"?

Did we reach the stars through the "Difficulty"? ...

Well, I hope so, yeah, I hope and pray
We'll meet again some passing day.
Remember it's just bye for now.
Always remember, it's just bye for now.

### In Memory of Our Principal Mr. Paul J. Daigneault

ecember 9, 1986 will forever live in Mount Saint Michael's memory as a dismal day. It was on this day that the unfortunate quietus of Mr. Paul J. Daigneault occurred. Mr. Daigneault died at the age of 42 at Saint Luke's Hospital in Manhattan after a lengthy battle with cancer. He was a very private man who accomplished many things in his own quiet way. He was a single, slender, six-foot tall man who was an inspiration to us all and will eternally dwell in our memories. Born on May 10, 1944 in Boston, Mass., he was the loving son of Harvey and Mary Daigneault and the beloved brother of Barbara Dunn and Christine Grif-

Mr. Daigneault attended Catholic Memorial High School in Boston, developing an extensive interest in extra-curricular activities. Amongst the activities in which Mr. Daigneault participated were interscholastic hockey and golf. In addition to his love of athletics, Mr. Daigneault acquired intense interest and appreciation for many different languages. Even while in college, Mr. Daigneault pursued many of the same interests as those that he had while attending high school. He utilized his time wisely and thereby became an extremely successful college scholar and a hard worker. From 1962 to 1966, Mr. Daigneault attended Iona College in New Rochelle, N.Y. While there, he pursued his interest in languages which resulted in his attainment of a Bachelor of Arts degree in the classical languages. In an attempt to increase his breath of knowledge, Mr. Daigneault attended Fairfield University in Connecticut from 1969 to 1972. The ensuing Master of Arts degree in American Studies only whet his thirst for knowledge. From Fairfield University, Mr. Daigneault went on to the Lincoln Center campus of Fordham University in New York from 1973 to 1977. At Fordham, he advanced to a higher plateau in his quest for knowledge by graduating with another Master of Arts degree — this time in School Administration and Supervision.

All those years of education didn't go for naught, however. While attending Fairfield University, he served as the Director of the Humanities Program at the Iona Preparatory School and was also the Chairman of the schools Classics Department. After his six year stay at Iona, 1966 to 1972, Mr. Daigneault crossed the border to New Jersey. It was at the Essex Catholic High School where he was Vice Principal and also Chairman of the English Department from 1972 to 1977. Mr. Daigneault's next move was to Power Memorial Academy in New York. He was the Principal there from 1977 to 1978. Following this brief stay he went on to become the Vice President of the Colonial Mint in Manhattan from 1978 to 1980. Longing for his love of education, he returned to the job he did so well — school administration. In 1980, he became Principal of Saint Cecilia High School in Kearney, N.J. He left in 1982 to become Principal of Mt. St. Michael Academy. He served as Principal for five years until his untimely demise in December of 1986.

As to the personal aspect of Mr. Daigneault, not much is known. He was a very private, silent man. One thing that was obvious about Mr. Daigneault though was his dedication to the Mount. In a letter presented in the Yearbook to the graduating class of 1983, he said that "all my energies and efforts are directed not only to continue the traditions of the Academy but also to enhance those traditions so that our students will receive the quality Catholic education that is characterized by the spirit and message of Christ and the vision and presence of the Marist Brothers." Mr. Daigneault was always urging the students at Mount to "carry with you the pride of a Mount man; a pride in yourself, your school, as well as the values and the education acquired here."

Although laid to rest in Boston, on December 13th, Mr. Daigneault's undying spirit will always live in the minds and the hearts of all of those who were fortunate enough to come in contact with him, especially those Mount men of whom he was so proud. Mr. Daigneault will be dearly missed, from the firm, yet caring handshakes at an honors assembly, to the deep monotone "Hello, how are you" that periodically echoed in the hallways.

Committment and attitude. These two words sum up the essence of Mount Football in 1986. Immediately following a very poor 1985 campaign, the Mounties saw fit to change a few things. It was stressed that only through a solid committment and a radical change in attitude could the players turn things around. The team set its goals and slowly but surely, came together. As the season progressed confidence built and the wins mounted up. Through solid team efforts and a desire to win, the team reached its potential. Mount won its first division title since 1969. Throughout the playoffs, the Mounties displayed their willingness to sacrifice everything and came together as a team. Victories over Iona Prep. and St. Francis Prep. ensured the team a berth in the league championship game against Farrell. In a game that went down to the wire, Mount saw its hopes for a dream season voided as Farrell defeated the Mounties, 7-0. The team finished at a solid 9-1 record. Looking back in retrospect, that one loss that tarnished an otherwise perfect season, can be seen as a victory; a victory in the game of life. The players learned that only through hard work and by making a committment to the attitude of excellence, can anyone succeed. The theme of Mount football 1986 can be summarized by a sign that was posted in the all too familiar weightroom:

"Accept no half efforts from yourself or others."

The team players carry with them a lesson never to be forgotten.

. AND THEY'RE OFF! THE 2:25 CLUB

here's one activity here at the Mount that never really gets the recognition it deserves — the 2:25 Club. The majority of Mount's student body belongs to this well known extra-curricular activity. From the time the bell sounds up until its members get to their destination, the club can be heard in action all around campus. If you haven't seen them go, look out! Once they're off, there's no stopping them. Afterall, no one ever stands in the way of a devoted Mount man, not rain, nor snow, or even ice!
